# Sponsor Sheet - FIRST Robotics

## Confidential - 4125

### A little bit about us...

- Student led Robotics team with six subteams: Marketing, Logistics, Programming, Electrical, Build, and Scouting
- 53 FRC members
- In our four year history, we've qualified for the World Finals two times
- Our alumni have earned numerous scholarships and are working in various STEM fields and/or attending college
- In 2015, we gave over 3,000 hours of service to thank our community for their support
- We coach younger students in FIRST Lego League Robotics and FIRST Tech Challenge Robotics
- We present nation-wide at conferences and events for STEM and the importance of career-related learning

WE COULDN'T PARTICIPATE IN ROBOTICS WITHOUT OUR GENEROUS SPONSORS.  
WHY SPONSOR US?

- High visibility and name recognition throughout Oregon and Washington
- Sponsorship recognized on our web site
- Our social media reach is large- our record reach on Facebook is 9,145 (while competing in World's during the 2013 competition)
- You'll know you'll be helping students in our area build skills and overcome obstacles
